

# Monthly financial report

Period: July 2026

People included: İbrahim

Generated: Jul 31, 2026 · 12:00

## Report summary

Payment records and the Expenses section are calculated without mixing their sources.

| Income                                                 | No income information provided |
|--------------------------------------------------------|--------------------------------|
| Payments made                                          | USD 3,000.00                   |
| Regular expenses                                       | USD 450.00                     |
| Total spending                                         | USD 3,450.00                   |
| Outstanding payment obligations in the selected period | USD 0.00                       |
| Overdue payment obligations                            | USD 0.00                       |
| Upcoming payment obligations                           | USD 19,999.90                  |

## Income details

Income types are calculated by the number of occurrences falling within the selected period.

No income information provided.

## Actual spending breakdown

Payment history within the selected period and people scope is separated by record type.

|                          |              |
|--------------------------|--------------|
| Bank debt                | USD 3,000.00 |
| Expenses                 | USD 450.00   |
| Bill                     | USD 0.00     |
| Personal / business debt | USD 0.00     |
| Rent / installment       | USD 0.00     |
| Subscription             | USD 0.00     |

## Recorded payment details

Each payment is shown only under its linked person and record.

|                                                      |              |
|------------------------------------------------------|--------------|
| Jul 26, 2026 · İbrahim                               | USD 3,000.00 |
| Bank debts · Kart borcu                              |              |
| Partial payment · Kullanıcının bankası · Credit card |              |

Installment and principal amounts shown for overdue records do not include potential interest, late fees, or other factors that may apply.

# Spending breakdown · continued

## Spending breakdown

Regular expenses and payment records are included in the same report total and shown in separate colors without mixing their sources.

|                        |              |
|------------------------|--------------|
| Payment · Bank debt    | USD 3,000.00 |
| Daily expense · Market | USD 450.00   |

## Expense details

Days are shown as headings; each day's regular expenses and payments are listed in their own sections without text overflow.

|                                                                                            |              |
|--------------------------------------------------------------------------------------------|--------------|
| DAY HEADING<br>31.07.2026<br>1 daily expenses · 0 payments                                 | USD 450.00   |
| Daily expenses                                                                             |              |
| Market · Alışveriş<br>1 × USD 450.00                                                       | USD 450.00   |
| DAY HEADING<br>26.07.2026<br>0 daily expenses · 1 payments                                 | USD 3,000.00 |
| Payments                                                                                   |              |
| İbrahim · Bank debts<br>Kart borcu<br>Partial payment · Kullanıcının bankası · Credit card | USD 3,000.00 |

## Outstanding payment breakdown

Shows the next payment/installment amounts falling within the selected period, not the full debt balance.

|                             |          |
|-----------------------------|----------|
| Bank debts                  | USD 0.00 |
| Personal and business debts | USD 0.00 |
| Faturalar                   | USD 0.00 |
| Subscriptions               | USD 0.00 |
| Rent and installments       | USD 0.00 |

## Outstanding payment details

Vade, kişi, kayıt türü, gecikme süresi ve sıradaki ödeme tutarı birlikte sunulur. Lefferion Prime - MİZAN may make mistakes. Please verify due dates, overdue status, and payment information before proceeding.
